My dear Jamieson,

I have to acknowledge with thanks receipt of your letter of March 11, forwarding an anonymous letter on the subject of one Yang Ah Mau (楊阿毛), who is wanted in connection with the murder by shooting which occurred outside the Sun Sun Company building on March 4, 1929. The matter dealt with in that letter has already been receiving attention of the Police, but unfortunately their efforts to trace Yang Ah Mau have not so far proved successful. It, however, gives me satisfaction to be able to inform you that five of his accomplices in this dastardly crime have been arrested and sentenced to various terms of imprisonment.

I return the anonymous letter herewith.

Yours sincerely,

(Sd) R.M.J. Martin.
